

I strongly Sinclair  
airing of stolen  
honor. They have no  
right to use the  
public airwaves in  
this blatant attempt  
to tilt the election  
one way or antother.  
Sinclair must be  
held accountable for  
this and i feel that  
the license should  
be revoked or at  
least air a  
pro-kerry film. If  
democracy is to  
survive in this  
country it will  
start right here. As  
a tax paying citizen  
and a voter i hope  
that you at the FCC  
will take the  
appropriate actions
